Dr. Steve Canavero
Nevada Department of Education State Superintendent
700 E Fifth Street
Carson City, NV 89701

Superintendent Canavero:

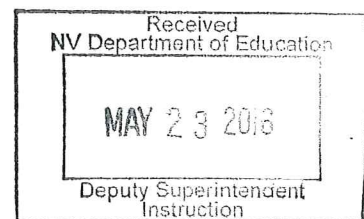

Lincoln County School District is in the process of completing documentation needed for Dual Credit Classes with Great Basin College. Great Basin College has informed us that we have one remaining item to complete the process, this being your approval. I have enclosed the following documentation for your review and approval:

Dual Credit Enrollment Informational Handout

All times were reviewed and agreed upon by the Lincoln County School Board on May 12th 2016. If you have any questions or concerns, please contact me at 775.728.8010. Thank you for assistance with this matter.

Sincerely,

Steven E. Hansen
Superintendent
Lincoln County School District

Dual Credit Enrollment

Lincoln County School District

Dual credit courses are college courses for which high school students may receive simultaneous college and high school credit.

GBC and the Lincoln County School District have worked together to identify several GBC courses that can be applied toward the student's high school diploma.

How does a high school student enroll in dual credit GBC courses?

The following forms only need to be filled out and submitted one time:

- Application for Admission to Great Basin College.
- Special Admission Form for High School Students (signed by student and parent/guardian).
- Information Release for High School Students (signed by student so that the GBC grades can be released to the high school).

This form must be submitted preceding each semester that the student wants to take dual credit classes:

- High School Permission Form, which lists desired courses and must be signed by the student and either the high school counselor or the high school principal. This serves as a registration form as well.

The following is a list of Lincoln County School District/Great Basin College Dual-Credit Classes. Each of the following courses was approved for dual credit at each high school by the Lincoln County School Board:

Mr. Marty Soderborg
Principal

ENG 101 Composition I
ENG 102 Composition II
HIST 101 US History to 1865
HIST 102 US History 1865-present
PSC 101 Intro. to Principles of American Politics
PSC 210 American Public Policy

Pahranagat Valley High School

Mr. Mike Strong
Principal

ENG 101 Composition I
ENG 102 Composition II
CHEM100 Molecules and Life in the Modern World
PHYS100 Introduction to Physics
PHYS100L Physics Lab

Important note to parents:

High school students enrolled in dual credit courses are treated like any other college student. The student and not the parent or guardian, must sign the appropriate forms, resolve concerns with course instructors, access his or her own grades, etc.
All fees are due before classes begin.

Please note: LCSD will not cover any costs to students for these courses.

Please see the GBC Dual Credit Web Page for information and forms:
